OFFICE MEMORANDUM

Subject: Provisional Seniority List of Associate Professor on regular basis across All NIFT Campuses

The Provisional Seniority List of Associate Professors across all NIFT Campuses (PB-3+GP-6600/-/Level-11 of 7th CPC) is annexed herewith.

2. The Provisional Seniority List of Associate Professor has been drafted keeping in view of the following:
 - I. The para-12 regarding 'Seniority' of the Chapter-II of General Service Rules at page-174 of NIFT Establishment Manual which provides that:
 - (i) The seniority of all direct recruits in a particular grade shall be determined by the order of merit in which they are ranked by the Selection Committee for such appointment; persons appointed as a result of earlier selection being senior to those appointed as a result of a subsequent selection.
 - (ii) In the case of promotion by selection, the seniority will be decided by the order in which recommended by the Departmental Promotion Committee (DPC).
 - (iii) In the case of promotion made on the basis of seniority, subject to the rejection of the unfit, the seniority of persons considered fit for promotion at the same time shall be the same as the relative seniority in the lower grade from which they are promoted. Provided that where a person is considered unfit for promotion and is superseded by a Junior, such person shall not, if he/she is subsequently found suitable and promoted, take seniority in the higher grade over the junior persons who had superseded him/her. Provision under (i), (ii) &(iii) shall be administered under detailed instruction contained in GOI(DOPT) orders on the subject.
 - II. Thus, the Seniority List is based on the principle of merit at the time of selection.
 - III. If DPC at the time of promotion has indicated merit; the same has been taken cognizance of.
 - IV. Where, DPC has not made recommendations in order of merit, the merit list for selection as Assistant Professor has been relied upon.
 - V. Where the Selection Committee proceedings are not available for DPC case(at the level of Assistant Professor), the earlier Seniority List dated 03rd May, 2000 has been taken as the base document(2004 appointments of Associate Professors).
 - VI. In case of candidates securing equal marks in the direct recruitment of Associate Professor; the person born earlier is taken as senior.
