Sub:- Letter of Intent (LOI) for works of Technology Service Provider for design, development, implementation and maintenance of a digital platform for the Repository for the RTC project of NIFT.

Sir,

With reference to your revised proposal dated 22nd April 2021, the Competent Authority of NIFT is pleased to inform you that your proposal to provide services for design, development, implementation and maintenance of a digital platform for the RTC Project of NIFT Head Office has been accepted as per details given below : -

- CDAC has been appointed as the technology service provider for design, development, implementation and maintenance of a digital platform for the Repository for the RTC project of NIFT titled *The Repository - Indian Textiles and Crafts (RTC)* based on the revised proposal for a service contract of two years extendable by another one to three years subject to availability of the additional budget.
- The design, development and implementation of the web portal and the digital archival system for the digital repository will be as per the scope of work stated in our letter dated 5th March, 2021 attached at **Annexure-II**.
- The date of commencement of the project will be taken as the date of signing of the MOU by both the parties.
- CDAC has to ensure that the implementation cost is within the budget of the project as per the proposal. Total implementation cost will be Rs. 564.62 lakhs for two years for portal development and cloud hosting.
