This section is for those who would like to pursue *UG Programme in Design*. The following illustration will help you understand the Scheme of Examination.

You will have to be prepared for the following scheme of tests -

CREATIVE ABILITY TEST (CAT):

1. You are expected to unveil your skills in sketching, adeptness in use of colours and inventiveness.
2. The duration of this test is 03 Hrs.
3. You have to attempt all questions in this test.
4. The maximum mark is 100.
5. You will not be permitted to use water colours.
6. You will be judged for the following aspects:
 - a) Intuitive ability
 - b) Power of observation in concept development
 - c) Design ability of the candidate

GENERAL ABILITY TEST (GAT):

1. GAT comprises of the following sections: (The number of questions may vary in each section)
 - i. **Quantitative Ability (20 Questions of 1 mark each):** Questions on Addition, Multiplication, Division, Fractions, Percentage, Rate of Interest, Work and Task, Ratio and Proportion, and Distance
 - ii. **Communication Ability (25 Questions of 1 mark each):** questions on synonyms, antonyms, words with corresponding meanings, singular, plural, one word substitutes, idioms and phrases, correct spellings etc.
 - iii. **English Comprehension (25 Questions of 1 mark each):** to test the ability to comprehend a situation from a given passage, and test of basic English language.

- iv. **Analytical Ability (15 Questions of 1 mark each):** to test the ability of inference and logic from the given information.
 - v. **General Knowledge and Current Affairs (15 Questions of 1 mark each):** to test the general knowledge and current affairs.
2. The paper carries Multiple Choice Questions (MCQs)
 3. The number of questions may vary in each section and for each course year to year.
 4. The level of difficulty in questions for all courses may vary.
 5. Language of this written test is ENGLISH
 6. The duration of this test is 02 Hrs.
 7. The maximum mark is 100.
 8. You have to attempt all questions in this test.
 9. Answers are to be marked on the Answer Sheet, which is provided separately.
 10. Choose the most appropriate option and darken the oval completely, corresponding to (1), (2), (3) or (4) against the relevant question number.
 11. **Mark the answer option number by darkening only the corresponding oval on the answer sheet using ball point pen (black/blue) only.**
 12. Do not darken more than one oval against any question, as scanner will read such marking as wrong answer.
 13. ***THERE IS NO NEGATIVE MARKING***
 14. ***Calculator, Mobile, Electronic Device, etc., are not permitted inside the examination hall.***
 15. Appropriate civil/criminal proceedings will be instituted against the candidate taking or attempting to take this booklet or part of it outside the examination hall, besides cancellation of his/her candidature.

Good news.... You can access sample question papers at
<http://applyadmission.net/nift2017/SampleOP.aspx>

CAT & GAT are both written examinations that will be held on the same day i.e., 12th February 2017. Here we go...

<i>UG Design Written Examination on 12-02-2017</i>	Test	Timings
	CAT	10.00 am to 01.00 pm
	GAT	02.00 pm to 04.00 pm

Now we move on to the second stage of the qualifying examination:

Only those who have successfully cleared the CAT & GAT can appear for the SITUATION TEST.

Results of NIFT Entrance Examinations will be available in www.nift.ac.in.

What is Situation Test????

1. This test is designed to test and evaluate your skills for material handling and innovative ability on a given situation with a given set of materials.
2. You will be using only those materials provided to you and No additional material will be provided / allowed.
3. The duration of this test is 03 Hrs.
4. The maximum mark is 100.

5. The model created by you will be evaluated on the following parameters:
 - a. Space visualization
 - b. Innovative and creative use of given material
 - c. Composition of elements
 - d. Colour scheme
 - e. Construction skill
 - f. Finesse of the model
 - g. Overall presentation etc.
6. These parameters will be checked with the write up explaining the concept behind the model constructed.
7. The write-up will be in English, considering that medium of instruction in NIFT is English.
8. No marks will be given for write-up in any other language.
9. **The use of outside/additional material in making the model/design is not permitted.**
10. **Candidates who try to disclose their identity by writing any personal details or place any identification mark on the model/ design/write-up shall be considered “DISQUALIFIED” and the final result of these candidates shall not be declared.**
11. **The evaluation of the test will be done by the Jury on the spot. The model will not be preserved for future reference.**

After successfully appearing for the NIFT Entrance Examinations, you will await the results. The final merit list will be prepared by consolidating scores obtained by you as per weightage assigned to each test in list of the entrance examination i.e., 50% of CAT score, 30% of GAT score and 20% of score secured in Situation Test.

Results of NIFT Entrance Examinations will be only available in www.nift.ac.in.

Good Luck!!
