This section is for those who would like to pursue *UG Programme in Technology*. The following illustration will help you understand the Scheme of Examination.

You will have to be prepared for the following scheme of tests -

GENERAL ABILITY TEST (GAT):

1. GAT comprises of the following sections: (The number of questions may vary in each section)
 - i. **Quantitative Ability (30 Questions of 1 mark each):** This sub-test is designed to test the quantitative ability of the candidates. The sub test consists of questions on Addition, Multiplication, Division, Fractions, Percentage, Rate of Interest, Work and Task, Ratio and Proportion, and Distance.
 - ii. **Communication Ability & English Comprehension (45 Questions of 1 mark each):** This sub-test is aimed at testing the language ability of the candidates in day to day communication in English. It includes questions on synonyms, antonyms, words with corresponding meanings, singular, plural, one word substitutes, idioms and phrases, correct spellings, comprehend a situation from a given passage etc.
 - iii. **Analytical & Logical Ability (25 Questions of 1 mark each):** This sub-test is designed to test the candidate's capacity for inference and logic from the given information and to evaluate the candidate's ability to identify the given problem and apply reasoning in solving the core issues of the problem. Concepts and practice of creative and lateral thinking are likely to be useful.
 - iv. **General Knowledge and Current Affairs (25 Questions of 1 mark each):** This sub-test is designed to test the candidate's general knowledge and current affairs.
 - v. **Case Study (25 Questions of 1 mark each):** This sub-test is based on a situation of an industry environment. It helps to evaluate the candidate's managerial ability.
2. The paper carries Multiple Choice Questions (MCQs)
3. The number of questions may vary in each section and for each course year to year.
4. The level of difficulty in questions for all courses may vary.
5. Language of this written test is ENGLISH
6. The duration of this test is 03 Hrs.
7. The maximum mark is 150.
8. You have to attempt all questions in this test.
9. Answers are to be marked on the Answer Sheet, which is provided separately.

10. Choose the most appropriate option and darken the oval completely, corresponding to (1), (2), (3) or (4) against the relevant question number.

11. Mark the answer option number by darkening only the corresponding oval on the answer sheet using ball point pen (black/blue) only.

12. Do not darken more than one oval against any question, as scanner will read such marking as wrong answer.

13. ***THERE IS NO NEGATIVE MARKING***

14. ***Calculator, Mobile, Electronic Device, etc., are not permitted inside the examination hall.***

15. Appropriate civil/criminal proceedings will be instituted against the candidate taking or attempting to take this booklet or part of it outside the examination hall, besides cancellation of his/her candidature.

Good news.... You can access sample question papers at

<http://applyadmission.net/nift2017/SampleOP.aspx>

GAT is a written examination that will be held on 12th February 2017. Here we go...

<i>UG Technology Written Examination on 12-02-2017</i>	Test	Timings
	GAT	10.00 am to 01.00 pm

After successfully appearing for the NIFT Entrance Examinations, you will await the results. The final merit list will be prepared based on 100% weightage of the GAT examination held.
