

DMU Details

- Any costs associated with enrolment for the students: No enrolment costs. DMU asks the student to complete the application form and send it in with a copy of their work in a PDF file. This is sent to the Programme Leader, the PL decides whether to accept or decline; the level the student should study and also the modules the student should be enrolled onto. If accepted the student is sent an acceptance e-mail, and is made UF on the QLS admissions system. Once UF, they can arrange their accommodation.
- Accommodation: Costs will be displayed on the accommodations website. Exchange students are housed in 1 hall
- DMU aims to provide university-sourced accommodation for new UK undergraduate students who request it. All halls are modern, most offer en-suite rooms, all are self-catering and offer shared kitchen and laundry facilities. We have rooms in various halls of residence on or near the campus.
