## **About NIFT**

Set up in 1986, NIFT is the pioneering institute of fashion education in the country and has been in the vanguard of providing professional human resource to the textile and apparel industry. It was made a statutory institute in 2006 by an Act of the Indian Parliament with the President of India as 'Visitor' and has full fledged campuses all across the country. Over the years NIFT has also been working as a knowledge service provider to the Union and State governments in the area of design development and positioning of handlooms and handicrafts.

NIFT is committed to academic excellence in fashion education. The vision of the institute embraces challenges and provides the impetus in setting highest academic standards. NIFT continues to strive to be nothing but the best.

# National Institute of Fashion Technology Bhopal

NIFT Bhopal Casmpus is one of the latest additions to the existing couuntrywide gamut of NIFT. It started functioning from June 2008 from its transit campus situated in MP Bhoj Open University Campuis, Kolar Road, in the heart of Bhopal city.

At present, NIFT Bhopal is offering two bechlror degree Programmes - Textile Design and Accessory Design,; and one Post Graduate Programme- Masters in Fashion Management. In addition to that, NIFT offers Continuing Education Programmes. The Institute has successfully established close contact with eminent personalities in the field of art, design and management, who offer their inputs as experts and guest faculties.

Upcoming Campus

## Continuing Education Programme

National Institute of Fashion Technology offers a diverse array of Continuing Education (CE) Programmes to support the industry, as well as aspiring and working professionals. The wide range of specialized Programmes offered by NIFT help aspiring professionals to get trained, entry-level professionals to get advanced training, mid-level professionals to upgrade their skills, and at times also help professionals to re-enter the Industry. These programme have been developed in consultation with reputed academicians and industry practitioners.

In addition to the Continuing Education Programmes offered, NIFT has been offering Diploma Programmes from the academic year 2014 onwards. These Programmes are aimed at offering value added Programmes to the local students from the State where the NIFT campuses are located and to facilitate lateral entry to the existing degree Programmes of NIFT.

## Textiles For Fashion

The programme aims to provide knowledge with regards to concepts of design development, Surface embellishment with tie-dye, Traditional hand embroidery, Block printing techniques with the knowledge of Traditional Indian textiles to incorporate in creation of contemporary ethnic textiles for apparel and home fashion. Market and workshop visits with expert lectures, techniques demonstrations and experiential learning will be the key features of this programme. The programme will focus to create a skill set so that the trainees may become entrepreneur to open their own design house for production of a range of customized home or apparel fashion products. The programme focusses on interactive learning with cordial environment for both theory and practical subjects. The participants will receive a Certificate after the successful completion of the course.

Students gain hands on learning experience under the guidance of renowned master craftsmen and explore various surface embellishment techniques and Design process. this course will enable the student to understand contemporary trends and create forecast based, user centric, customized Apparel or Home Fashion collection which finally add value to their businesses.
