

**National Institute of Fashion Technology  
Head Office**

NIFT is committed to academic excellence in fashion education. The vision of the institute embraces challenges and provides the impetus in setting highest academic standards. To meet the above commitment and to be on top, a lot of Investment is done in Infrastructure and faculty development. NIFT being an autonomous body is self reliant to meet its expenditure on Infrastructure, a minimal hike of 10% is kept in the fee on yearly basis to utilize the same for development of best of the art infrastructure and engagement of best available faculty at NIFT and also engagement of Guest Faculty from Industry and from various Institutes across the world. This empowers NIFT to support students from weaker section of society by grant of Tuition Fee Waivers, Merit Scholarships and study abroad expenses through various schemes such as “Sarhthak-means cum merit scholarship”, “Merit Scholarship scheme” and “Uddan-Study abroad scheme”.

During Covid pandemic NIFT has ensured that no faculty/staff has been laid off and their salaries have been paid in full. We are committed to fully protect the interests of our faculty, staff and students.

Although, every year NIFT enhances the fee by 10% to mitigate the expenses, however, in the situation arisen due to Pandemic in our country and taking into account economic slowdown in the Industry, NIFT tuition fee hike for the Semester July-December, 2020 is reduced to 5% . However there will be no change in the fees of NRI category students. Further to ease the pressure of lump sum payment, the students will be allowed to pay the fee in 3 installments to be paid before end semester and also be exempted from late fee fine for this semester.

The revised fee circular with fresh dates is being issued separately.

This is as informed by competent authority.
