## INSTRUCTIONS FOR FILLING IN TENDERS

1. The tender shall be submitted in accordance with the procedure detailed herein. Specified documents shall be sealed in envelope of appropriate size which shall be sealed.
2. The tender should be submitted online mode only. The tenderer should sign & seal on each paper before uploading in e-Tender.
3. It should be importantly noted that the contents of Technical Bid must not reveal rates of any items of the total tender amount quoted by the tenderer. If this condition is violated, the tender will be straight away rejected.
4. Please study the document carefully.
5. Please fill in the Schedule of quantities as follows : -
  - a) Fill in the "Rate" column legibly.
  - b) Fill in the "Amount" column legibly.
  - c) Give the total amount of each page duly carried over and the Grand total. Wherever alternative specifications have been specified, amount of such items should not be added to the total. Tender must be submitted in Priced Tender form (PTF) by online mode only.
  - d) Initial all corrections and put in your signature at the end of the Schedule of Rates.
6. Please pay **EMD Rs. 10,000/- (Rupees Ten Thousand only)** amount along with the tender as per **Schedule `F`**.
7. In case the tenderer requires any clarification, he may contact National Institute of Fashion Technology, GH-0, Extension Road, Opp. Info city, and Gandhinagar Gujarat.
8. Addenda/Corrigenda to the tender documents may be placed on the website to intimate prior to the date of submission of the tenders to clarify documents or to affect modification in the design or contract terms.
9. Each addenda / Corrigenda issued by the National Institute of Fashion Technology, Gandhinagar will be uploaded on website. Each recipient will retain one copy of each addendum / corrigendum for submission along with his tender and return one signed copy to NIFT as acknowledgement of receipt of the same. All addenda/corrigenda issued by the NIFT shall become part of tender documents. It will be responsibility of tenderer to check the updates on website regarding addendum/corrigendum from time to time.
10. Tenderer will have to provide GST paid certificate/challan, other govt. dues levies which are applicable for such type of the works without which NIFT will not pay final bill payment to the Agency / Tenderer.

## IMPORTANT NOTE

- 1) Tenderer will have to fulfill the Qualifying conditions for Annual Maintenance Contract for Electrical Services as under:**
- i. The tenderer must be having experience of an Annual Maintenance Contract for Electrical Services in reputed Organizations/Educational institutes preferably for not less than two years.
  - ii. The Agency submitting tender should attach photo copies of
    - a. Current Registration of the Agency under PWD or CPWD or Government organization
    - b. Electrical Contract License,
    - c. GST Registration Certificate,
    - d. PAN Card.
  - iii. The tenderer shall carried out minimum **two year experience preferable of annual maintenance contract for electrical services** of the type and size of HT/LT electrical installations, similar to electrical installations at NIFT.

**2) The tenderer should invariably submit his tender in e-Tender form.**

- 2.1) EMD cover should contain EMD in form of Demand Draft or Banker cheque as mentioned in tender must be submitted in envelope super scribing "EMD for Tender of Electrical Contract" and same must be submitted on or before last date of tender submission. Tenders without EMD will not be opened. THIS MAY PLEASE BE NOTED.

N.B.

- 1) The rates should be quoted both in words as well as in figure also.
- 2) All the documents uploaded in e-Tender must be seal and signature on all page of all documents submitted by the tenderer.

**A. GENERAL TERMS AND CONDITIONS**

1. The schedule issued with the form of tender, listing the services to be rendered, must not be altered by the tenderer. Any modifications/alternations of the schedule considered necessary by the tenderer, should be in the separate letter accompanying the tender.
2. The name and address of the tenderer shall be clearly written in the space provided and no overwriting, correction, insertion shall be permitted in any part of the tender unless duly countersigned by the tenderer. The tender should be filled in and submitted in strict accordance with the instruction laid down herein; otherwise the tender is liable to be ignored.

3. The tender is liable to be ignored if complete information is not given there-in, or if the particulars and data (if any) asked for in the schedule to the tender are not filled in.
4. Individual signing the tender or other documents connected with the tender must specify whether he signs as
  - (i) A sole proprietor of the concern or constituted attorney of such sole proprietor
  - (ii) A partner of the firm if it is a partnership firm, in which case he must have authority to execute contracts on behalf of the firm.
  - (iii) Director or Principal Officer duly authorized by the Board of Directors of the company,
  - (iv) In case (ii) of copy of the partnership agreement or general power of attorney, in either case attested by a Notary Public should be furnished or an affidavit on stamp paper duly sworn or affirmed by all the partners admitting execution of the partnership agreement or the general power of attorney should be furnished. The attested copy of the certificate of registration of firm should be attached along with the tender papers. In case of partnership firm, where no authority to refer dispute concerning the business of the partnership has been conferred on any partner, the tender and all other related documents must be signed by all the partners of the firm. In case of (iii) the person signing the tender should be authorized by a resolution passed by the Board of Directors and copy of the resolution attested by the Principal Officer should be attached.
5. The EMD of tender submitted in sealed envelopes super-scribed with "EMD for Tender of Electrical Service" should be addressed to The Joint Director, National Institute of Fashion Technology, GH-0 Extension Road, Near Infocity, Gandhinagar-382007 and be dropped in the Tender Box kept in at Administrative Block up to 15.00 hrs. by 21/08/2019
6. The tenders (Technical bid) will be opened on 26/08/2019 at 16.00 hrs. in NIFT campus in the presence of such of the tenderers who may wish to be present, either by themselves or through their authorized representatives.
7. Tenders received after specified date and time, due to whatever reason including postal delays, will not be considered.
8. Any conditional offers made by the contractor or any alterations/corrections made in the tender form shall not be considered. Similarly incomplete and unsigned quotations are liable to be rejected.
9. In case of the successful tender, the EMD shall be liable to be forfeited if tenderer does not fulfill any of the following conditions:

- (i) An agreement is signed by him in the prescribed form within 10 (Ten) days of the receipt of letter awarding the contract.
- (ii) The maintenance service will commence within 15 (Fifteen) days of the receipt of the letter awarding the contract.
10. If any agency, which is awarded contract for maintenance services, refuses to undertake the work, the EMD of that Agency shall be forfeited.
11. The bid should be valid in the case of all the tenders for at least three months from the date of opening of tender and if any tenderer withdraws or alters the terms of the tender during the period, the EMD shall be forfeited.
12. The contractor shall be responsible for engaging adequately trained personnel required for providing good maintenance services in institute.
13. The staff of the contractor should possess sound health and be free from and diseases, especially contagious and frequently recurring diseases.
14. Contractor will have to get Labour license once contract is awarded. Also will have to submit copy of Workmen's Compensation policy if applicable.
15. Any attempt at negotiation direct or indirect on the part of a tenderer with the authority to whom he has submitted the tender or the authority who is competent finally to accept it after he has submitted his tender or any endeavor to secure any interest for an actual or prospective tenderer or to influence by any means the acceptance of a particular tender will render the liable to exclusion from consideration.

## **B. LEGAL TERMS AND CONDITIONS**

1. The contractor and his staff must abide by various rules and regulations of NIFT as prevalent from time to time.
2. The contractor shall comply with all existing labour legislation and Acts, such as Contract Labour Regulation Act, Electrical contractor, Workmen's Compensation Act, Minimum Wages Act, Payment of Wages Act, Provident Act, etc., for any lapse or breach on the part of the contractor in respect of non-compliance of any Labour legislation in force during the validity of the contract, the contractor would be fully responsible and would indemnify the Institute, in case the Institute is held liable for the lapse on the part of the Contractor.
3. NIFT would have the right to terminate the contract without notice before the expiry of the term, in case the work performance is not upto the standard, or in case there is any violation of NIFT rules & regulations, or if there is any lapse in

compliance of any labour legislation, or if there is any incident of indiscipline on the part of the Contractor or his staff. The decision of NIFT's management in this regard would be final and binding on the Contractor. In such an event NIFT shall have the right to engage any other contractor to carry out the task.

4. Non-compliance of any terms and conditions enumerated in the contract shall be treated as breach of contract.
5. The Contractor and his staff shall comply with all instructions and directions of the NIFT authorities given from time to time. In the event of any emergent situation, the staff of the contractor shall comply with instructions given by the NIFT authorities, without waiting for confirmation by the Contractor.
6. The Contractor shall maintain Attendance and Wages registers for all workers engaged under the contract at NIFT and he will also take out Workmen's Compensation Insurance Policy.
7. The Contractor shall submit to NIFT the list of workers engaged to carry out the contract work, indicating name, age, home address, qualifications etc. and would also intimate as and when any change takes place. The contractor shall not at any time engage a minor to carry out the work under the contract.
8. The Contractor shall undertake that any act of omission or commission including theft, by his staff shall be his sole responsibility and further that he would compensate the institute immediately, any loss or damage or theft occurring on account of his staff individually or collectively.
9. It will be the responsibility and liability of the Contractor to have Accident Insurance Policy of its staff to cover accidental risk as per Workmen's Compensation Act, during electrical maintenance. NIFT will not be liable in this regard in any manner.
10. The maintenance service contract shall remain valid initially for one year and it may be renewed further 2 years on yearly basis based on satisfactory performance at the discretion of NIFT only in writing on yearly basis or specified months on the same or revised terms and conditions mutually agreed by NIFT and Contractor. Contractor can terminate the contract once awarded, after giving three month notice to the institute. Nevertheless, NIFT may terminate the contract of the contractor without any notice in case of breach of the contract or by giving one month/s notice. NIFT's decisions that a breach has occurred will be final and shall be accepted without demur by the contractor.
11. All the workers engaged by the contractor for carrying out tasks under this contract, shall be deemed to be the employees of the contractor's agency. The agency shall be solely responsible for their wages, fringe benefits, conduct, duty roster, leave-records, relievers etc. The agency shall also provide its workers photo-identity cards which shall be checked by the security staff as and when necessary.

12. The contractor shall ensure that the staff engaged by him shall not smoke beedies, cigarettes or take alcoholic drinks and nor they are allowed to chew pan, aracnut, tobacco items etc.
13. On termination of the agreement the contractor will hand over all the equipment's/articles if issued by the NIFT in good working condition back to NIFT.
14. The contractor shall be responsible to maintain the equipments and other articles if issued by the NIFT in good condition. In case of any damage he shall be responsible to carry out the repairs without any delay to avoid any interruption in service. Cost of repairs shall be borne by the contractor himself. In case of theft or damage contractor shall replace items lost, broken or damaged with items of the same quality at his own cost and expense.
15. The contractor will work in close co-operation and co-ordination with other agencies working at site.
16. NIFT is not bound to provide any mode of transport in respect of men or material required for the contract.
17. The contractor has to deploy the electricians during Saturday, Sunday and holidays also without any extra cost.
18. All Statutory obligations under various laws from time to time will have to meet by contractor for which no extra payment shall be made to him at any time during the contractual period.
19. The contractor will be solely and exclusively responsible to adhere to meet out all statutory obligations under Indian law in respect of compliance of all the rules, regulations and directions given by any statutory authority with regard to safety, labour laws or any other prevalent laws and submit an undertaking and proof of payment to its employees as per minimum wages rates to NIFT each month along with claim for payment.
20. The contractor shall be responsible for the payment of wages and allowances as per Central Govt. Minimum Wages Act and all statutory dues to the persons employed by him for providing the electrical services. The contractor shall be further responsible for proper discipline of the employees engaged by him and their work, besides observing other obligations.
21. Sub-contracting of the contract is strictly prohibited.
22. Dispute, if any arising out of others service contracts shall be settled by mutual discussion. The decision of NIFT shall be final in the matter.

23. NIFT reserves its right to act on this tender or to use its sole discretion in any manner, in proceeding or canceling any or all matters connected to award of the contract for catering services.
24. The contractor is liable for any loss, direct or indirect due to delay in inspection or attending to faults whatsoever or due to fire, explosion or any other circumstances.

**C. FINANCIAL TERMS AND CONDITIONS**

1. The payment shall be released on monthly basis after satisfactory completion of the job and for the work actually, done on submission of bill in duplicate by the contractor. The bills should be accompanied by same certificate as NIFT may prescribe from time to time. Income Tax (TDS) as applicable at current prevailing rate shall be deducted at source. Payment has to be made within 15 days of the submission of any bill. However, in event of any query, objection or dispute with regard to any bill or a part thereof, the contractor shall not be entitled to any interest to be paid for last payment till such time that the query, objection or dispute is resolved. The contractor will be entitled for payment of amount as agreed by NIFT per month after deducting TDS as per the existing rates including the cost of men and material for performance of the duties mentioned in this contract as applicable. The payment shall be made by NIFT every month against contract amount on submission of bill for such payment by the contractor in the first week of each succeeding month.

The payment due to the contractor will be released on monthly basis after satisfactory completion of the job and for the work actually done on submission of bill in duplicate by the contractor. Such certificates should accompany the bills, as NIFT may prescribe from time to time. In the event of failure in discharge of the duties of maintenance services on any day up to the desired standard in part or full including absence from duty, the contractor is liable to be penalized @ Rs. 500/- (Rupees Five hundred only) per day which shall be recovered from the bills or otherwise including security deposit. For purpose or imposing penalty, the decision of the Director will be final and binding on the contractor and shall not be subject to dispute or arbitration.

2. The contractor shall at all times indemnify and keep indemnified the owner and its officers, servants and agents from and against all third party claims whatsoever (including time not limited to property loss and damage, personal accident, injury and maintain all liabilities under Workman's Compensation Act/Fatal Accident Act, Personal injuries, Insurance Act and/or their Industrial Legislation from time to time in force).
3. The Contractor shall submit to NIFT, along with the monthly bill, copies of attendance register duly certified by the NIFT representative. Copies of wage register for the month of bill is raised, Copies of PF & ESIC challan and ECR, etc.

4. NIFT will not be responsible for the release of benefits, such as Provident Fund, Pensionary benefits or allowances. Any changes in the Minimum Wages Act or in any other labour legislation or other statutory obligations during the validity period of the contract shall be the responsibility of the Contractor.
5. Income tax, as per prevalent laws, shall be deducted at source while making payment of contractor's bills.
6. The contractor will not charge the additional payment to provide the maintenance services on holiday, Sunday and odd hours during NIFT functions.
7. **Contractor will be required to submit Rs. 30000/- as Security Deposit within ten working days from the date of acceptance of work order.**
8. The EMD shall be converted into Security deposit with the award of contract and shall be refunded on satisfactory completion of the contract.
9. All Electrical consumables/spares/parts and other materials used shall be charged separately and the same shall be borne by the NIFT. No bill and such account shall be entertained without prior approval of NIFT's representative either in writing or verbal.
10. In lieu of additional labour requirement on occasions when it is not possible to execute or maintain the required work due to sudden fault or new requirement the additional payment may be approved if it justified and approved by NIFT's representative.
11. As per NIFT's policy, payments and receipts to Government and Semi-Government Agencies would be rounded off to the nearer higher rupee and in other cases the rounding off will be to nearest i.e. paise 50 or above will be rounded off to the near higher rupee and paise less than 50 will be ignored.
12. The agency shall fill up mandate form (**Annexure "A"**) for digital payment/RTGS payment.
