02nd April, 2026

कार्यालय ज्ञापन / Office Memorandum

Subject: Conduct of Graduation Project (GP) Shows and Declaration of Results – Reg.

As per the Academic Calendar, the external Graduation Project (GP) juries are scheduled to conclude by 21st May 2026, with campuses required to submit the results on 22nd-23rd May 2026. Based on timely submission, the Head Office (HO) shall consolidate and formally declare the results on 26th May 2026, and accordingly, GP shows are scheduled thereafter.

2. It has been observed that there are operational concerns regarding student availability for GP shows scheduled a few days after the jury, as students may not be able to stay back due to placements or other commitments.

3. In view of the above, the following guidelines are hereby issued:

I. Conduct of GP Shows (Without Results/Awards):

Campuses may conduct GP shows immediately after completion of the external jury, if required. However, no results or awards shall be declared at the campus level during such shows.

II. Conduct of GP Shows (With Results/Awards):

In cases where campuses intend to announce results and awards as part of the GP show, the same shall be scheduled only from 26th May 2026 onwards, subsequent to the formal declaration of results by HO.

III. Submission of Results:

Campuses must ensure timely submission of GP results as per the Academic Calendar. Delay in submission shall impact the declaration of results by HO accordingly.

IV. Authority for Declaration:

Results shall be declared only through the Head Office, and any independent declaration at the campus level shall not be permitted.

4. These guidelines are issued to provide necessary operational flexibility to campuses while ensuring uniformity and process integrity in evaluation and result declaration.

5. This issues with the approval of the Competent Authority.
