6. GENERAL TERMS AND CONDITIONS:

6.1. All rates shall remain firm for the contract period/extended contract period if any.

6.2 The successful bidder shall execute an agreement in non-judicial stamp paper of value of Rs.200/-(Rupees Two Hundred only) agreeing to abide by all the terms and conditions mentioned therein and for the due fulfillment of the contract, within 10 days from the date of issue of letter of acceptance/award. The expenses incidental to the execution of agreement shall be borne by the successful bidder. The conditions stipulated in the agreement should be strictly adhered to and violation of any of the conditions will entail termination of the contract without prejudice to the right of NIFT Kannur to recover any consequential loss from the successful tenderer.

6.3 Performance guarantee/security deposit: The successful bidder shall, before signing the agreement and within the period specified in the letter of award of contract deposit a sum equivalent to 10 *per cent* of the value of work as performance guarantee in the form of account payee demand draft drawn on any nationalized bank and payable to, NIFT Kannur at Kannur or in the form of bank guarantee (BG) from any commercial bank in India in an

acceptable form and shall be valid for a period of 60 days beyond the date of completion of contractual obligation including warranty obligation of the supplier/contractor. DD or BG shall be submitted within 10 days of release of the work order/letter of acceptance. The security deposit will not bear any interest.

6.4 Penalty/Liquidated Damage: The time allowed to carry out the work as entered in the contract shall be strictly observed by the contractor and will commence from the 10th day from the date of issue of work order. If the successful bidder fails to complete the work in all respects to the full satisfaction of the competent authority and hand over the site to NIFT within the stipulated period of completion, liquidated damages equivalent to 1% (one percent) of contract value shall be charged per week and deducted from the bills of the contractor subject to maximum of 10 percent of the contract value. Once the maximum LD is reached NIFT may consider termination of the contract at the risk and cost of the contractor. Director may at his discretion grant extension of time for completion if requested by the contractor with or without penalty/Liquidated damage. NIFT reserves the right to adjust or set-off the amount of any compensation against any sum payable to the Contractor under this or any other contract with NIFT.

In the event of failure to complete the works even after granting extension of time, Director may arrange to complete the works by engaging any other source at the risk and cost of the contractor. In such case the contractor shall be liable for all damages sustained by NIFT including the liability to pay any increase in rate/price on account of alternate arrangement for completion of the works. Such damages shall be assessed and claimed by the Director, NIFT Kannur whose decision will be final and binding on the supplier/contractor.

6.5. The partitions shall be made at the locations specified by NIFT Kannur Campus at no extra cost other than agreed upon, to NIFT. NIFT is not bound to provide any mode of transport in respect of men or material required for the contract.

6.6. Inspections and Approval: The Director or his representative shall have powers to inspect and examine any part of the Works at any time and the contractor shall give such facilities as may be required for such inspection and examination.

6.7. The Competent authority shall have power:

- To incorporate additional terms and conditions if any in the work order if found necessary to safeguard interests of NIFT.
- To make alteration in, omissions from, additions to, or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work, and
- To omit any part of the works in case of non-availability of a portion of the site or for any other reasons;

and the contractor shall be bound to carry out the works in accordance with any instructions given to him in writing signed by the Competent Authority/Engineer-in Charge and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work.

6.8. All the works are to be carried out in accordance with latest CPWD/ ISI Specifications and as per directions of Engineer-in-charge.

6.9. Payment Terms: Payment will be made within 15 days from the date of submission of bill/invoice which is prepared on the basis of actual measurement and on furnishing satisfactory completion/commissioning certificate issued by the Engineer-in

charge/competent authority. The Contractor shall, without extra charge, provide assistance with every appliance, labour and other things necessary for measurements. Income tax/GST and any other applicable Tax including surcharge, if any, at the prevailing rate shall be deducted from the Contractor's bills as per the provisions of the relevant Acts.

6.10 The supplier shall also give the particulars of their bankers for reference to NIFT.

6.11 Jurisdiction:

In case of any dispute the Jurisdiction of Court will be Kannur, Kerala. In the case of disputes raised by the contractor/supplier, a representation will be made only by the contractor/supplier or the authorized representative of the contractor/supplier and the decision of the Director NIFT Kannur will be binding on the supplier.

7. SPECIAL CONDITIONS

7.1 During working at site, some restrictions may be imposed by Engineer-in-Charge/Security staff of NIFT or Local Authorities regarding safety and security etc., the contractor shall be bound to follow all such restrictions/instruction & nothing extra shall be payable on this account.

7.2. Foreclosure of Contract in Full or in Part due to abandonment or reduction in Scope of Work: If at any time after acceptance of the tender NIFT shall decide to abandon or reduce the scope of the works for any reason whatsoever and hence not require the whole or any part of the Works to be carried out the Director/Engineer-in-Charge shall give notice in writing to that effect to the Contractor and Contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.

The Contractor shall be paid full amount for works executed at Site at Contract rates as certified by the Engineer-in-Charge.

7.3 Cancellation of Contract in Full or in Part: The contract in full or in part will stand cancelled if the Contractor:

- At any time makes defaults in proceeding with the Works with due negligence and continues to do so even after a notice in writing of 7 days from the Engineer-in-Charge; or
- Commits default in complying with any of the terms and conditions of Contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-Charge; or
- Fails to complete the works or items of work on or before the date (s) of completion, and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge; or
- Violates any of the terms and conditions stipulated in this agreement.

In the above cases NIFT without prejudice to any other right or remedy against the contractor which have either accrued or accrue thereafter to the NIFT, by a notice in writing to take the part work/ part incomplete work of any item(s) out of his hands and shall have powers to:

- Take possession of the site and any materials, constructional plant, implements, Stores etc., thereon; and/or
- Carry out the part work/ part incomplete work of any item(s) at the risk and cost of the contractor.

In such case the contractor shall be liable for all damages sustained by NIFT including the liability to pay any increase in rate/price on account of alternate arrangement for completion

of the works. Such damages shall be assessed and claimed by the Director, NIFT Kannur whose decision will be final and binding on the supplier/contractor.

Any excess expenditure incurred or to be incurred by NIFT in completing the part work/ part incomplete work of any item(s) or the loss/damages suffered or may be suffered by NIFT as aforesaid without prejudice to any other right or remedy available to NIFT in law or as per agreement be recovered from any money due to the contractor on any account, and if such money is insufficient, the contractor shall be called upon in writing and shall be liable to pay the same within 30 days. If the contractor fails to pay the required sum within the aforesaid period of 30 days, NIFT shall have the right to sell any or all of the contractors' unused materials, constructional plant, implements, temporary building at site etc. and adjust the proceeds of sale thereof towards the dues recoverable from the contractor under the contract and if thereafter there remains any balance outstanding, it shall be recovered in accordance with the law. In the event of above course being adopted by NIFT, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured materials or entered into any engagements or made any advance on any account or with a view to the execution of the work or the performance of the contract.

7.4. Liability for Damage, Defects or Imperfections and Rectification thereof: If the Contractor or his workmen or employees shall injure or destroy any part of the building in which they may be working or any building, road, fence, etc. contiguous to the premises on which the work or any part of it is being executed, or if any damage shall happen to the work while in progress the Contractor shall upon receipt of a notice in writing in that behalf make the same good at his own expense. In case the Contractor fails to comply with the requirements of this condition, NIFT shall have the right to get the work done by other means at the cost of the Contractor. Before taking such action, however, NIFT shall give three day notice in writing to the Contractor.

7.5 Measurements: All measurements shall be taken jointly by the Engineer-in-charge or any other officer appointed by the Director in this behalf and by the contractor or his authorized representative from time to time during the progress of the work and such measurements shall be signed and dated by the Engineer-in-charge and the parties. If the Contractor objects to any of the measurements recorded on behalf of the NIFT a note to that effect shall be made and such note shall be signed and dated by all the parties engaged in taking the measurement. The decision of the Competent Authority on any such dispute or difference or interpretation shall be final and binding on both the parties and shall be beyond the scope of the settlement of disputes of Arbitration in respect of all contract items, substituted items, extra items and deviations.

7.6 Methods of Measurement: Except where any general or detailed description of the work in Quantities expressly shows to the contrary, Bill of Quantities shall be deemed to have been prepared and measurements shall be taken in accordance with the procedure set forth in the Schedule of Rates / Specification notwithstanding any provision in the relevant Standard Method of Measurement or any general or local custom.

7.7 FORCE MAJEURE: Any delays in or failure of the performance of either party herein shall not constitute default hereunder or give rise to any claim for damages, if any, to the extent such delays or failure of performance is caused by occurrences such as Act of god or the public enemy; expropriation or confiscation of facilities by Government authorities, or in compliance with any order or request of any Governmental authorities or due acts of war, rebellion or sabotage or fires, floods, explosions, riots or illegal joint strikes of all the workers of all the contractors.

No compensation shall be payable to the contractor for any damage caused by rains lightening, wind, storm, floods, Tornado, earth quakes or other natural calamities during the execution of work. He shall make good all such damages at his own cost; and no claim on this account will be entertained.

7.8 MATERIALS: All materials to be provided by the Contractor shall be in conformity with the specifications laid down in the contract and the Contractor shall, if requested by the Engineer-in-Charge, furnish proof to the satisfaction of Engineer-in-Charge in this regard.

7.9. Labour:

7.9.1 The Contractor shall employ its labour in sufficient numbers to maintain the required rate of progress and of quality to ensure workmanship of the degree specified in the Contract and to the satisfaction of the Engineer-in-Charge. The Contractor shall not employ in connection with the Works any person who has not completed eighteen years of age.

7.9.2 All the workers or employees deployed by the contractors shall be considered as the employees of contractor and NIFT shall not have any liability what so ever in nature in regard to such workers/employees.
