About Kannur

Kannur is a coastal city in the south Indian state of Kerala. Kannur, formerly known in English as Cannanore, is a city and a municipal corporation in the state of Kerala, India. Kannur is the sixth largest urban agglomeration in Kerala. It is the administrative headquarters of the Kannur district and situated 274 kilometres (170 mi) north of the major port city and commercial hub Kochi and 137 kilometres (85 mi) south of the major port city and a commercial hub, Mangalore.

During the period of British colonial rule in India, it was once an ancient trading port. The times when Kannur was a part of the Malabar District (Madras Presidency), the city was known as Cannanore. Enduring monuments such as 16th-century St. Angelo Fort, once occupied by European colonial forces, show the city's significant role in the spice trade. Housed in a former palace, the Arakkal Museum highlights Kerala's one Muslim royal family. The palm-fringed sands of Payyambalam Beach run along Kannur's western shore.

Why Kannur is famous

Kannur is dubbed as the City of Looms and Loes, thanks to the flourishing handloom industry and folk art called Theyyam. Theyyam is a ritualistic artform encompassing dance, music and mime, where the artist dons the guise of God. Kannur is believed to have got its name from being the land of Kannan or Krishna.

About NIFT Kannur

Kannur or Cannanore is a place of Looms and lore in the God's own country, Kerala, which is an apt place for a Fashion institute. NIFT Kannur started functioning from a temporary campus in 2008 and moved to its current permanent campus in 2012.

NIFT Kannur centre situated 16 KM north of Kannur and 700 meters away from the National Highway. It is a serene campus located away from busy towns but active within. The sprawling campus of 10 acres (the total built-up area is approximately 3 lakh 20 thousand square feet. The campus houses the academic block which is an architectural master piece raises like a spiral from 2 floors to 8 floors. The campus has a 8 storied academic block, workshop building, 2 hostel blocks (for Girl students), Annexe to Hostel block with 2-3 sharing A/c rooms, canteen building, gym, sewage treatment plant, auditorium, Basketball and Volleyball courts etc.
