Empanelment of Designers

Applications are invited from eligible candidates for empanelment as Designers, under the Project Coordination Team of NIFT, for execution of workshops and other allied activities in the state of Arunachal Pradesh under Comprehensive Handicrafts Cluster Development Scheme (CHCDS), Govt. of India . The project entails conducting training programmes for the Handloom and Handicrafts of Arunachal Pradesh at various locations and clusters of the state, and would require involvement over a length of time at the clusters. The empanelment would be for a period of the Project , or within periods during the length of the Project, and not extendable under any circumstances. Applicants must be ready to work at remote locations.

- A. **Eligibility** – NIFT / NID Graduates with experience in Handicrafts and Handlooms
- B. **Experience** – Working at clusters and conducting workshops for skill development, prototyping and Cluster development
- C. **Preferred** – Experience on promoting crafts through marketing and promotional activities. Communication skills with artisans will be considered in addition
- D. **Age** –25 - 40 years as on 3.3.25 – may be relaxed for exceptional candidates
- E. **Remuneration** - The remunerations will be based on the terms of the said Project – to include all expenses on travel, accommodation and Designer charge as per categories based on experience
- F. **Deliverables** – As per the requirements of the Project and as decided time to time by the Project Coordinator and the Project Development Team, based at NIFT Kolkata

Note :

- The selection will be based on the recommendations by a Selection Committee. The decision of the Selection Committee in any matter related to the empanelment at any stages within, shall be deemed final and binding upon the candidates.
- The interviews of provisionally eligible candidates will be held online within 3 days of the closure of the advertisement. Candidates will be informed and all applicants are to access their communications for interview details.
- The empanelment of selected candidates can be terminated before completion of Project under disputed / exigency situations.

Interested candidates may submit their applications to THE PROJECT COORDINATOR – CHCDS ARUNACHAL PROJECT, NIFT at projectnift.chcdsap@gmail.com, supported with the following documents :

- a. **CV with educational qualification.** – Documents to be verified on selection
- b. **Detailed experience as required**
- c. **Photograph of Applicant**
- d. **A 100 -150 word brief on how the candidate will contribute to the Project**

All applications must reach on mail on 6th March 2025. Any extension of timeline subject to the discretion of the Project Coordination committee. Any incomplete application / applications received after closure of due date may be summarily rejected.
