

Dear Graduating Class of 2024,

Congratulations to the graduating class of 2024 and their parents who have supported them throughout their journey. The hard work and dedication of the students are evident today as they step into the fashion industry.

NIFT has always provided a nurturing environment with excellent infrastructure facilities, world class resources and highly dedicated & experienced faculty members, shaping these young minds for global challenges. You are well-prepared to meet industry demands, thanks to NIFT's comprehensive academic programs, emphasis on practical experience & professionalism. You are set to excel in your respective fields and contribute to the dynamic business environment. As the business world evolves rapidly, you are poised to implement your innovative & creative ideas and make a positive impact. I have no doubt that you are now equipped to embark on your professional journey and make a difference.

I am proud to present the work of these young professionals Graduation Showcase "Re-invention 2024", the creative and innovative talent of NIFT Mumbai to the global fashion & lifestyle industry.

Dear graduates, as you move forward your Alma mater will remain a supportive force throughout your journey.

Wishing Good Luck to the graduating class of 2024 for their future endeavors...

Prof. Dr. Pavan Godiawala
Director
NIFT Mumbai
