

National Institute of Fashion Technology, Raebareli
Expression of Interest from NIFT Alumnus for Khadi Kamgars Training
Programme 2020-21

Background Note

National Institute of Fashion Technology (NIFT), Raebareli has been associated with U. P. Khadi and Village Industries Board, Lucknow since 2015-16. During all these year, NIFT has contributed immensely in promoting U.P. Khadi by conducting Fashion shows, trainings to the Khadi Kamgars and upgrading existing product line with contemporary designs.

NIFT Raebareli has successfully imparted training to 250 approx. Khadi Kamgars / workers since 2015-16 in the field of pattern making, garment construction and Surface Design Techniques (SDT) which has improved their skills and finally, quality of existing apparel.

Under the mentorship of NIFT faculties and assistance from the NIFT Students, Khadi Kamgars developed Khadi collections with various concepts and themes. It has been an experiential learning module for Khadi Kamgars wherein they have learned from design till the prototyping.

Schedule of 1st Phase of the Training Programme (2020-21)

During the 2020-21, first phase of the training programme is likely to be held between January' 2021 to Feb' 2021 on mutually agreed dates. Approx 40 Khadi Kamgars are expected to participate in the said training. The period of the training would be 30 days.

Scope of Work for Expert Designer

- Design Development for 02 nos. Design Range by each Alumni
- Finalization of colour combinations
- Finalization of Khadi Fabrics
- Supervising the Khadi Kamgars for Pattern Making and grading Pattern of size as S, M, L & XL
- Surface Design Techniques
- Supervising the Khadi Kamgars for Garment Construction
- Display of the Final Range
- Final Compilation as 'Catalogue' of entire training programme – Spec Sheets, Photo Shoots and documentation on making of collection as deliverables

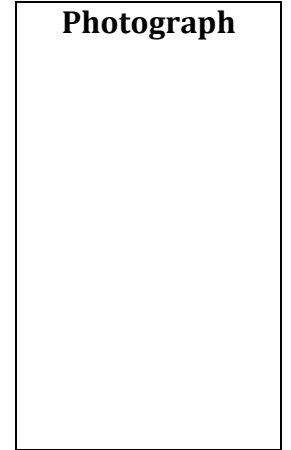

The training programmes would be fully residential; therefore the NIFT Alumni has to be present in NIFT Campus during the entire programme. They will be provided the fooding and loading facility in addition to Honorarium.

In view of above scope of work for said training programme, the Alumnus are requested to give their **Expression of Interest (EOI)** in the **enclosed prescribed format** and quote for Honorarium for the entire period of training programme. For further query please contact Mr. Ujwal Banerjee, Associate Professor & Project I/c on Mobile No.**9161614684**.
