Dated 18/02/2022

परिपत्र Circular

This is for general information to all the CCs and Department Assistants to inform that the students of their respective departments (through email and respective WhatsApp group) who wish to avail NIFT hostel facility (Girl's & Boy's) are required to send their nominations for Hostel Accommodations directly to their respective departments latest by **23/02/2022**. The departments will then forward the consolidated department specific list, to the hostel committee as the hostels are tentatively planned to be made operational from 15th March, 2022.

Please note that due to current State Govt Covid protocol of allowing one student per room (except in case of dormitory), only limited number of seats are available in the hostels. As such, the allotment of hostel rooms will be based on draw of lots and those allotted hostel rooms will be required to fill up the prescribed application form and deposit the hostel fee. The details for the same will be shared at a later date.

This is issued with the approval of the Competent Authority.
