Date: 29/08/2020

CIRCULAR

NIFT is committed to academic excellence in fashion education. The vision of the institute embraces challenges and provides the impetus in setting highest academic standards. To meet the above commitment and to be on top, a lot of investment is done in infrastructure and faculty development. NIFT being an autonomous body is self reliant to meet its expenditure on infrastructure, a minimal hike of 10% is kept in the fee on yearly basis to utilize the same for development of best of the art infrastructure and engagement of best available faculty at NIFT and also engagement of Guest Faculty from Industry and from various Institutes across the world. This empowers NIFT to support students from weaker sections of society by grant of Tuition Fee Waivers, Merit Scholarships and study abroad expenses through various schemes such as "Sarthak-means cum merit scholarship", "Merit Scholarship scheme" and "Uddan-Study abroad scheme".

Although, every year NIFT enhances the fee to mitigate the expenses, however, in the situation arisen due to Pandemic in our country and taking into account economic slowdown in the Industry, NIFT has considered the following:

- 1) Tuition fee hike has been reduced by 5% for the Semester July-December, 2020 as per semester mentioned at Annexure-I except for NRI students.
