## **About NIFT Srinagar and Hostel Accommodation**

NIFT Srinagar is presently operational from NIFT temporary campus situated at Rangreth. The permanent campus is under construction at Ompura Budgam J&K. Srinagar is well connected by air and by rail upto Jammu and by road from Jammu to Srinagar.

The hostel facility is being provided to both Boys and Girls nearby campus in hired accommodation on twin sharing basis. There is in-house warden both for Boys and Girls residing in hostel. 24x7 security is being provided by deploying both male and female security guards in hostel as well as campus. Mess facility is inside the hostel only. NIFT own bus is available for providing transportation to students from hostel to campus.

The hostel fee for academic session July 2019 to July 2020 session will be circulated very soon and the same be available on nift Srinagar website also.

For more information following officials of NIFT Srinagar may be contacted.
